Brain cancer is an overlooked and serious cancer that has affected many people's lives today. The Forrest Run is named after Forrest Olson, who passed away from brain cancer in 2007. This run supports a non-profit foundation for brain cancer research and supports families that have a loved one suffering from brain cancer.

There will be snacks, music and drinks, as well as medals for the winners of the race. All are welcome to support this great cause and have a good time. Please come down by yourself, with a friend, or with your family. This run is sponsored by your Rice Lake FBLA chapter.
